Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Swift Dolly, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim Swift Dolly , we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,

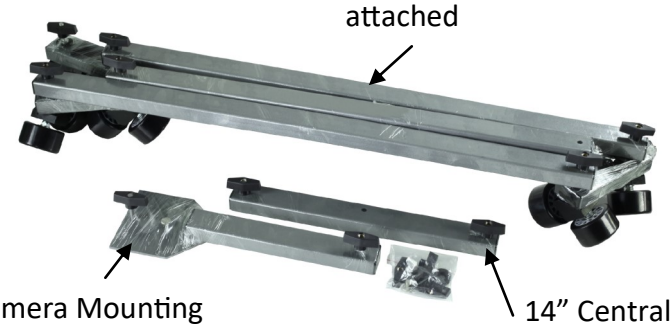
Proaim Team

Introduction

Proaim Swift Camera Dolly is solid built video production unit known for its durability and portable way to add fluid action to any footage. Swift wheel Dolly works with most of the standard tripods. It is portable, travel friendly and sturdy. Add this Tripod Dolly to your camera equipment to achieve tracking and panning shots. You will be amazed at the professional results you will get. It's a value in itself.

What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.



Storage Bag

Assembling

- Loosen the lock knob from the 27" central section of your dolly.

- Now, arrange the 32” rods of Dolly to give it a triangular shape. Then attach the 27” rod to the wheel set and tighten the knob to secure.

- Attach the 14” rod to the base and tighten the screws to secure it.

- Now, attach 15” camera mounting post as shown in the picture and your Dolly assembly is ready to use.

YOUR PROAIM SWIFT DOLLY
ALL DRESSED UP AND READY TO GO!

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
